

Isle of Wight Support Group Newsletter

Hello,

Welcome to the Ataxia UK Isle of Wight Support Group Newsletter. I hope that everyone who came to the last meeting enjoyed it. The next meeting is on 20th July at the Quay Arts Centre in Newport at 3.30pm. Anyone who needs directions can contact Alan on (01983) 867946.

Disabled access was discussed and people agreed that there should be more advertisement on events like the Isle of Wight festival. We had leaflets giving information on Friedreich's and Cerebellar ataxia and leaflets for your G.P.

The insurance info that was requested was brought to the meeting it included info about house and holiday insurance for people with ataxia.

If you were not at the meeting I shall bring all the info to the Quay Arts.

Topics for discussion:

September 25th is Ataxia Awareness Day, does anyone have any suggestions or ideas for an event, maybe incorporating fundraising.

I am considering contacting AUK and Solo with an aim to having a stall at the I.W. Festival. Any thoughts suggestions or volunteers appreciated.

There is a conference in Leeds, 14th - 15th September, as advertised in the Ataxian magazine. Tina sent an e-mail urging attendance and prompt receipt of bookings if anyone is going.

There is currently £10 in the kitty.
